4. Combination

- [BSR Form](#)
- [BSR Course List](#)

Early Field Experience

(*NEW*_ish) Applicants must complete **at least one documented early field** experience in a 7-12 US classroom setting. You can verify that early field experiences are completed by submitting a letter from the school on school letterhead indicating the number of hours completed and/or the type of experiences had. While the quantity of the hours is up to the discretion of the applicant, the single subject credential program faculty will measure the quality and impact of those early field experiences for fitness for the program and the teaching profession in your **Statement of Intent**. Upload your documented early field experiences and your Statement of Intent on the Cal State Apply application.

Statement of Intent (2

Pages)
Using acceptable essay form, describe the following:

1. Your background in terms of coursework and early field experience directly relevant to teaching in a single subject setting
2. The aptitudes and skills you have which you feel will help you in your selected profession
3. The strength of your commitment to your indicated profession
4. What you believe you need to learn in the program to prepare you for teaching
5. Your attitudes and experiences with individuals from diverse backgrounds that will assist you in the classroom.

***Have several people, including your references read this!!!**

American

Government/Constitution

Complete ONE of the following:

Clinical Practice (Due March

7th) Separate Application due March 7th:

<https://www.csustan.edu/teacher-education/clinical-practice>

- Essentially the same background requirements (BSR, MSR, etc.) as Credential Application
- Submit form (very simple).

***Do this form even if you are applying for Residency/Internships.**

Residency Pathway (Due

March 28th)

- Complete your student teaching across 2 semesters, alongside an expert mentor teacher in a carefully selected school in either Ceres Unified School District (40 spots) or Modesto City Schools (13 spots)
- Take coursework in the evenings (schedule provided) & immediately apply and practice skills in a classroom setting
- Participate in co-teaching and experience the full school year
- Receive a \$32,000- \$40,000 stipend less taxes
- Be hired as a sub in the district of residency
- Receive priority hiring in the district in which you do your residency
- Apply, interview, & commit to teaching in the district in which you completed your residency (if offered a position) or in another high-needs school district for 4 years

Application.

Intern Pathway (Due April 11th-ish)

- Stan State's Intern Program permits individuals to be the Teacher of Record while completing the requirements for a Preliminary Credential program. The Intern Credential is administered by Stan State and is a cooperative program between the University and hiring district. Interns are employed under the district and supervised by the University and District.
- Find your position on your own and then apply for Intern Approval
